

STATEMENT OF PURPOSE

RS19218

Relating to the Board of Medicine; amending section 54-1807, Idaho Code, to revise provisions relating to physician assistants vis–vis repealing section 54-1807 (2), Idaho Code, and adding a new section 54-1807A, Idaho Code, to clarify and expand the provisions for licensure, regulation and physician supervision; to create a physician assistant advisory committee; and to provide for the independent ownership of a medical practice.

FISCAL NOTE

None. Physician assistants will be positively affected by the ability to independently own a medical practice and thus facilitate the provision of medical services in underserved areas.
